## CHAIRMAN'S NEW YEAR APPEAL 2022.

Dear Supporter

### YES WE CAN!

Barack Obama became the first black president of the USA, with his supporters using the above slogan. With a pandemic involving the entire world, can Cherry Lodge (CL) continue to support its members along their cancer journey?

### YES WE CAN!

Are people with cancer able to access CL even if they are new to the organisation?

### YES THEY CAN!

Can CL raise sufficient funds to keep the charity going?

### YES IT CAN!

It has been difficult but following Covid hygiene guidelines, namely masks, hand sanitisers and fresh air (lots of it) it has been possible to provide services, albeit somewhat modified. The nurses continue to offer newcomers the choice of telephone consultation, Zoom contact, individual appointments at Howard House or a walk and talk meeting which has proved to be popular, successful and a brilliant idea. All group activities are available on Zoom.

From June 2021 reflexology, acupuncture, hypnotherapy and some counselling have taken place by appointment at Howard House. Despite the pandemic, no one who contacts Cherry Lodge is ever refused support, so please help the charity continue its vital work

### IF YOU CAN!

Any donation, however small, will be gratefully appreciated. Thank you and take care.

Margaret M Clark (Dr)
