

Helping people with cancer is not just about hospital treatments, it's about improving quality of life.

Cherry Lodge Cancer Care is an independent registered charity whose aim is to improve the lives of people living with cancer, their family and carers within North London and the surrounding area. It is our firm belief that every individual whose life is affected by cancer has the right to the best support and information from the time of diagnosis and throughout the cancer journey.

The centre has a holistic approach seeking to address the physical, emotional, psychological and spiritual needs of those who come to us. We offer a warm, welcoming and unhurried environment with time to listen.

If you would like to use our centre, please call to make an initial appointment with one of our cancer information nurses. All our services are provided free of charge, although donations are always welcome.

I want Cherry Lodge Cancer Care to reclaim Gift Aid (at least 25p for every £1 I donate) on this donation, any future donations and any I have made in the past 4 years. I am a UK taxpayer and understand that I must pay enough Income Tax and/or Capital Gains Tax to cover the tax that may be claimed by Cherry Lodge Cancer Care or any other Charity or Community Amateur Sports Club (CASCs) – I know that VAT and Council Tax do not apply.
